

## FEATURES & SPECIFICATIONS

### INTENDED USE

Provides general illumination in residential applications. **If required for commercial application or operation more than eight (8) hours per day, consult factory for available options.** Ideal for use as lighting in bathroom/lavatories, over hospital beds, hallways/corridors, stairways and utility areas.

### CONSTRUCTION

A classic look, this transitionally styled vanity is offered in a hand-dipped, tea-stained glass shade, mounted on an antique bronze finished socket housing and matching decorative support arm/canopy or acid-etched, frosted glass shade mounted on a brushed-nickel finished socket housing and matching decorative support, arm/canopy. The shade provides a widespread uniform illumination. Ferros vanities are available in two-, three- and four-fixture configurations.

### ELECTRICAL

Includes 13W integrated GU24 spiral 2700K fluorescent lamps/ballasts ([see note below](#)) for energy efficiency, superior color rendering and long life.

Standard with electronic ballast (120-volt, 60Hz) ensures no flickering and quiet operation without interfering with other home electronics.

Included lamps are for use with non-dimmable switches only. If fixture is supplied with integrated lamps/ballasts and tall sockets ([see note below](#)), dimmable lamps (CF15INLB27 GU24 DIM) can be used (sold separately).

### INSTALLATION

All mounting hardware included.

### LISTINGS

UL listed to US and Canadian safety standards and suitable for damp locations.

### WARRANTY

1-year limited warranty. Complete warranty terms located at

[www.acuitybrands.com/CustomerResources/Terms\\_and\\_conditions.aspx](http://www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx)

NOTE: Actual performance may differ as a result of end-user environment and application.

Specifications subject to change without notice.

**NOTE:** Older fixtures may have shipped with pin-based lamps and SU13 ballasts. To identify the correct replacement lamps, look at the sockets.

#### Tall Sockets

Uses GU24 integrated lamps/ballasts (CF13INLB27 GU24)

#### Short Sockets

Uses pin-based lamps (CF13S27) and SU13 ballasts (BLST SU 13W)
