Quality Weatherproof Electrical Equipment

Agriculture, Terminal Boxes

Product #: T1220

Short Description: TERMINAL BOX 200A 14X21 1PH

SPECIFICATIONS

Category	Terminal Boxes
Amps	200.0
Phase	1
Volts	120/240
AIC	10,000
Cabinet Size	14 X 21
Hub Provision	Yes
Standard Package	1
Wire Range	(3) 1/0-250, (3) 12-1/0
Stock Class Code	Stock
Certification	UL/CUL
Unit Weight	19.0
UPC	078456757490

Midwest Electric's Terminal Boxes are for use in converting from overhead to underground services and for multi-circuit wiring. The NEMA 3R enclosure provides protection for all terminations inside and provides a convenient, timesaving means of wire splices and connections. Midwest offers a full line of terminal boxes for 240-volt, single-phase and 600-volt, three-phase ratings. Typical applications, both indoors and outdoors, include inter-building wiring on farms, convenient splicing means for industrial use, and commercial construction.
