M12™ 3/8" Crown Stapler

The Milwaukee M12™ 3/8" Crown Stapler delivers a true hand tool replacement. The 2447 is designed to drive a range of 3/8" flat crown staples (1/4" – 9/16") through an array of materials and substrates. At just 3.5 lbs. and 7.25" long the compact design allows for great access into tight spaces and convenient tool belt portability. An easy to squeeze trigger design significantly reduces fatigue associated with traditional hand staplers. Integrated sequential and contact actuation trigger design provides increased productivity and seamless changing between firing modes. The 2447 is compatible with all Milwaukee M12™ batteries, and carries Milwaukee's 5-Year limited power tool warranty.
