

6" Magnetic Billet Torpedo Level

Empire's Magnetic Billet Torpedo Level is constructed of anodized aluminum alloy for strength and durability. The attractive blue level features vials that display angles of 0°, 30°, 45° and 60°. Powerful neodymium magnets provide superior holding strength so you can work without holding the level. This level features a convenient V-Groove for pipe and conduit work and a No-Dog feature to eliminate dog-legs in offsets and saddles.
